

2019/20 Season Information Sheet

The Edmonton Soccer Dome presented by Brookfield Residential is the largest sports dome in Canada with a 135,000 sq ft playing surface. The Dome is a state-of-the-art air support structure constructed by Arizon Building Systems, over a FIFA Quality Pro-approved artificial turf surface.

The Edmonton Scottish Society would like to ask for patience with the current site set up as we complete our transition into a fully operational world class facility. Although the dome is up and fully functioning, supporting buildings are still under construction. We will have temporary measures in place to make all visitors as comfortable as possible during the evolution of our complex

Facility Rules and Regulations are listed on the website at www.edmontonsoccerdome.com

Location

The Edmonton Soccer Dome is situated on the Edmonton Scottish Society's Grant McEwan Park, South of Ellerslie Road. The address is 3105 101st SW, Edmonton T6X 1A1

There will be construction onsite throughout the season as the entire facility is being restructured into a world class sports complex over the next 2 years.

Current Dressing Rooms

The clubhouse has washroom facilities and a full bar with drinks and snacks available. Children are welcome in the bar area. There is an ATM on site as well as first aid and a defibrillator.

Current Parking

There is limited parking onsite so we suggest people carpool where possible and leave plenty of time, ALL vehicles must angle park to maximize spaces. There are 2 car parks on site, one next to the dome accessible from 91st Street and one a short walk accessible from 101 Street - there are handicap parking spots directly outside the clubhouse.

Vehicles parked NO PARKING and Permit Parking Areas without a permit WILL be towed at owners Expense (BYLAW 5590).

The Turf

At a cost of over \$1million, The Edmonton Soccer Dome boasts premium artificial turf - FieldTurf CORE is a FIFA QUALITY PRO certified product and represents the highest quality turf in the market today.

Athletes will be able to warm-up on the track before games, please be respectful of the other games that are going on around you.
